

Revenue Cycle / Patient Access Webinar Series

501r - Clarify the Mystery and Confusion

Kevin Ensminger, CPA, CFP
Director
BKD

August 18th, 2016

Audio/Visual Webinar

Time: 12:00PM – 1:00PM CST
(Lunch 'n Learn)

Program Content

The IRS is increasingly using data analytics to identify outliers and Form 990 red flags. We'll take a deep dive into Schedule H and final 501(r) regulations to clarify potential risk areas for nonprofit hospitals.

Program Take-Away: Gain a more thorough understanding of the questions on Schedule H and the underlying final 501(r) regulations.

Presented by: Kevin Ensminger, CPA, CFP

Kevin Ensminger, CPA, CFP

Director
BKD

Kevin is a member of BKD National Not-for-Profit & Government Group and BKD National Health Care Group. He also works with the firm's WealthPlan team. He has more than ten years of public accounting experience focusing primarily on tax compliance, tax consulting and wealth management services.

He performs comprehensive reviews of tax returns and financial information to determine compliance with taxing authorities and to identify opportunities for further financial growth. He provides detailed guidance to various entity types on proper structure, reporting and operation and has had favorable experiences with taxing authority examinations.

Kevin is a member of the American Institute of CPAs, Missouri Society of Certified Public Accountants, Kansas Society of CPAs and Financial Planning Association. He has presented at several tax and not-for-profit seminars and has authored multiple articles for various publications.

He is a 2002 graduate of Truman State University, Kirksville, Missouri, with a B.S. degree in accounting.
